BEST SALE FIG Finale

We love high fashion. Our checkbooks do not. So when we heard Fashion Industry Gallery (FIG) marked down pieces, twice a year, at 75 percent off, from some of the best boutiques in town (Forty Five Ten, Premium 93, Krimson & Clover, and Tootsies), we put on our half-price Jimmy Choos, paid the \$10 entry fee, and piled up on designer threads. Like, designer names you see in *Vogue* that you can't afford. You're in luck: the next sale is August 25 and 26.
