Bespectacled, rosy-haired Petro Zillia designer **Nony Tochterman** made an appearance at F.I.G. (Fashion Industry Gallery) for an evening of Corzo Tequila cocktails, bites and an interview by local TV personality **Mattie Roberts**. Fun and flirty duds were de rigueur for the fashion-forward gathering, which included **J. Gavin Smith**, **Tanya Paradis**, **Sheila Smith**, and **Nancy Martin**, who no doubt took a moment to sample chocolates courtesy of NOKA and clothes courtesy of Tochterman.
